Barnum Financial Group, an Office of MetLife Sends 34 Kids Back to School Looking “COOL”

[August 28, 2007]- Helping kids achieve the “American Dream” is a priority for Paul Blanco, a Shelton resident and Managing Director of Barnum Financial Group, headquartered in Shelton. “Getting a good start by looking cool the first week of school is something every child needs. So when I heard about the Valley United Way’s Back to School Clothes for Kids, I knew we had to support the program, commented Paul. We were delighted to be able to adopt 34 children from Sunnyside School in Shelton.”
